

REQUEST FOR STUDENT/PARENT VISIT AT MOREY MIDDLE SCHOOL

Student and Parent visits will begin in October and end in April

Student Name _____ Current School _____
Grade _____ **Contact Information**
Parent or Guardian Name _____ Email _____

Phones: Home _____ Work _____ Cell _____

Someone will respond to you with a confirmation on one of your choices of dates. I would like to request a visit/shadow for my child on the following date

_____ (date must be at least 2 weeks from today) or
_____ or _____ (alternate dates)

Tuesdays and Thursdays are preferred visitation days, however, we will accommodate families for other days depending on the school schedule. For "group" visitations please contact Karen Duell, Community/Family Liaison at 720-424-0737 or Karen_Duell@dpsk12.org Please meet Morey parents and staff in Room 102 at 8:30 am and plan on picking up your student in room 102 at 2:00 pm. You may park for 1/2 hour on 14th and come up the stairs and through the front doors of Morey Middle School. Alternatively, you may park in any of our DPS parking lots off of Emerson St. or in any other available on-street spaces and enter through the door that has an accessible ramp.

If possible, can my child shadow with _____ (this person would have to be a current sixth grader of the same gender in the same program). My child has special needs. _____ Please describe what accommodation we need to provide. _____.

My student would be interested in the _____ program.

(Highly Gifted, High Strides, Traditional)

Highly Gifted- Our program is the only magnet program in DPS for students who have been identified by the district as being Highly Gifted. All students in the district who have been identified as highly gifted are automatically invited to attend Morey; no application or choice request is required. These students have demonstrated extraordinary academic ability and intellectual potential. Their learning characteristics and abilities require substantially different educational experiences and services not provided by regular DPS grade level curriculum. Our program is designed to meet the needs of these exceptional children. A student may visit in this program if he/she has already been identified through the district or has applied to be tested for this program. Please check the application deadline date for testing on the DPS Gifted Website: <http://gt.dpsk12.org> Most students in this program score Advanced on their CSAP tests.

High Strides- High Strides is an intensive learning program in which students will be expected to master the regular DPS middle school curriculum in greater depth and at a more rigorous pace. Critical and creative thinking will be emphasized in all subject areas. Pre-Advanced Placement strategies are integrated into this curriculum to provide a more challenging program. Admission into the High Strides program is competitive. Applicants must complete an application form with Morey and provide letters of recommendation, previous CSAP scores and elementary school progress reports. For students who do not live within Morey's attendance area, admission also requires the completion of a Choice form with DPS. Most students in this program score Proficient or above on the CSAP test. A Positive Behavior Contract is also submitted with the application which is available at the school.

Traditional- Students in this program are also expected to master the regular DPS curriculum, but may need extra support to achieve grade level competencies. This program is designed to meet the needs of students who may need this extra support. This year, we have implemented Advancement Via Individual Determination (AVID) into our Traditional Program. This program helps prepare students for college eligibility who may otherwise fall short of their potential. For students who do not live within Morey's attendance area, admission into the Traditional Program requires completion of a Choice form with DPS.

Copy and paste the form into your email, complete it and send it to:

jborison@yahoo.com -Jerry & Meg Borison (Morey Parents) or Karen_Duell@dpsk12.org

You may also print the form and fax it to Morey at 720-424-0727
